The first enclosed dog park of its kind in Central New York, Wegmans Good Dog Park is a lively and popular spot for dogs and their human companions to hang out and socialize - and a great place to advertise your business!

Wegmans Good Dog Park is open sunrise to sunset, seven days a week, year-round.

It is located in the Cold Springs section of Onondaga Lake Park, Liverpool, NY.

The 40,000 sq. ft. fenced-in area includes an exercise area with tunnels, jumps and bridges, drinking water, waste clean-up stations and a double gated dog entrance. Small dogs have the choice of mixing with the big dogs or can play in a separate area for dogs under 25 lbs.

You provide the banner, we provide the space!

Space for a 4' x 8' banner for one year on the Good Dog Park fence, visible from the entry and inside the park.

\$395 per year
